Brief Abstract of Letter

Requests that certain wants of the Maharaja's College Students may be supplied

NOTES AND ORDERS

The Dgl submits the following proposals —

(1) An additional block for Students may be constructed, the present blocks being insufficient for the accommodation of all the applicants/students

(2) A well may be dug to provide water in the Summer Season when the supply of water from pipes fails

(3) A building for the quarters of the Supdt may be erected The present Supdt is one of the Asstt Masters of the College and draws an allowance of Rs 30 per mensem ~~It is stated that~~ The Supdt of the Central College Hostel, as explained is provided with quarters

(4) The Manager of the Students' Home who is now paid Rs 30 per mensem from the funds of the Hostel, may be considered a Govt Servant and his pay be raised to Rs 50 per mensem

Mr. Denham, President of the Committee for the Students' Home, Represents that the Supdt of the Central College Students' Hostel, as explained is borne on the establishment of the College and Requests that the Manager of the Maharaja's College Students' Home, as explained may be similarly treated and that his pay be fixed at Rs 50 – 5/ – 100 But the Dgl recommends only a permanent pay of Rs 50.

Note—C t l t

The pay of the Supdt of the Central College Students' Home is fixed at Rs 75-5-100

2 2 The 1st 3 proposals relate to Public Works Deptt as the cost thereof will have to be provided in the New Budget

3 The Students' Home is at present in receipt of a monthly grant of Rs 71 while the Central College Students' Home receives Rs 100 per mensem ~~Subd for orders~~ As the Superintendent (vide Sry 31/3/05) attached to the Maha Rajahs College Students' Home is a Govt employee, (being an Assistant Master of the College) drawing an allowance of Rs 30/ per mensem, the necessity of recognizing the Manager who draws a salary of Rs 30/ per mensem from the funds of the Hostel or raising his pay to Rs 50/ per mensem as a permanent Government Servant is not apparent

The Commission of additional accommodation will be a matter for the Diwan's Kacheri to decide on the spot

In Bangalore, there is only a whole time Supdt on pay Rs 75—5—100. But in Mysore there is what I may call an Upper Subordinate with an allowance of Rs 30 and a Manager on Rs 30 The conditions are thus not the same in both places. If the two offices are combined and a full time Supdt appointed, a permanent office on Rs 50—5—75 may I think be appointed & Quarters residential quarters are built for him, a small house may also be engaged for him as near the Hostel as possible at a monthly rental not exceeding Rs 10 This seems to be a better arrangement than the one ~~one~~ proposed The working of Daily Purchases does not require an office in the Permanent Service of the Edn Dept Cutter on Rs 50 - 5—100 as recommended by Mr Durham or Rs 50

Instead of a Sergeant we have a Manager on Rs 30. His is not, & cannot be, a graded educational appointment. If any change is desirable at all, it is the combination of the post of Cutch & Manager, and the appointment to the new post of a whole time Cutch as in Bangalore.

I shall be glad if the Inspectress of Schs & the Principals will act together and propose a set of rules. It is by no means the least important feature that the Students should be given some kind of say in Govt or management as it will create a good deal of interest in the institution

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE
Bangalore 25th March 1905

From

H J BHABHA Esq MA,
Inspector General of Education in Mysore

IV
Rule
29/3/05

To

B K Venkatavaradiengar Esquire,
Secretary to the Government of H H the
Maharaja of Mysore General and Revenue
Departments Bangalore

Sir,

I have the honour to inform you that Prof Denham President of the Committee of the Students Home attached to the Maharajas College at Mysore represents the following wants of the Home I request that Government may kindly grant sanction for the supply of the wants

2 The Home has accommodation for 66 resident students but already 70 have been admitted with difficulty and the demand for accommodation is likely to increase in future The President requests that an additional block may be constructed

3 The necessity for a well in the dry months from January to April is greatly felt as often the supply of water from the municipal pipes fails

in

in these months at the high level of the home and great difficulty is experienced to provide baths for 70 students

4 In a large Students Home like that of the Maharajas College it is necessary that the Superintendent who is one of the Assistant masters of the College and receives an allowance of Rs 30 a month should be provided with quarters in the Home to maintain its discipline The Superintendent of the Central College Home has been provided with quarters

5 The manager of the Home who makes the daily purchases is paid Rs 30 He has been in receipt of this amount for the last 7 years Mr. Denham requests that as in the case of the Superintendent of the Students' Home of the Central College, the manager may be considered a Government servant and his pay raised to Rs 50-5/1-100 I recommend that he may be given a fixed pay of Rs 50 and his name borne on the establishment of the Maharaja's College

6 At present a monthly grant of Rs 71 is all that is paid to the Home From this grant the cooks and other menial servants are paid The allowances of the Superintendent and the manager are paid out of the monthly fees collected from the students If the manager's pay is borne by Government, it may be possible

possible either to reduce slightly the monthly fee of the boarders or to increase their comforts

I have the honour to be

Sir

Your most obedient servant

H Bhabha

Ks Inspector General

for the present

2 As regards the management of the Students' Hostels attached to the Central College at Bangalore and the Maharaja's College at Mysore, Govt consider that the practice in vogue in the Victoria Hostel at Madras, may be conveniently adopted, ~~here~~ but the Govt think the place of the Syndicate there regarding the appointment of Members for the Committee for the management of the Hostels ~~also~~. The Inspr Genl of Schs and the Principals of the two Colleges are requested to ~~form themselves~~ ~~in~~ act together and submit for approval a Set of Rules for the approval of Govt on the lines of those of the Victoria Hostel. ~~Govt Consider~~

3 It is by no means the least important feature that the students should be given some kind of self Govt or management as it will create a good deal of interest in the institution
